

# AMERICAN ASSOCIATION OF PHYSICIANS OF INDIAN ORIGIN (ARKANSAS)

Indian Physicians Dedicated to the Natural State

February 5th, 2026

Dear Pharmaceutical Representative,

**Subject:** American Association of Physicians of Indian Origin (AAPI) Arkansas chapter invites you to sponsor a booth/ exhibit Annual Convention to be held on October 10, 2026, at the State House Convention Centre, Little Rock, AR.

We thank you for your continued support to our organization and we hope to continue this relationship going into the year 2026. If you are unfamiliar with our organization, please see below for a brief background summary and visit our website [www.aapiarkansas.org](http://www.aapiarkansas.org) for more information.

**Background:** We are the Arkansas Chapter ([www.aapiarkansas.org](http://www.aapiarkansas.org)) of the American Association of Physicians of Indian Origin (AAPI). AAPI is a national organization representing the interests of about 100,000 physicians and medical students of Indian origin and is one of the largest professional medical societies in USA ([www.aapiusa.org](http://www.aapiusa.org)). We established the Arkansas chapter in 2008 and currently have about 300 members in Arkansas. AAPI Arkansas has 4 sub-chapter areas in Central Arkansas, Hot Springs, North-West Arkansas, and North-East Arkansas.

We hope you would consider supporting our Annual Convention 2026 by sponsoring a booth/exhibit at the event. We have Premier sponsor level (\$30000), Platinum (\$20000) and Diamond (\$10000). Visit our website for more details on different sponsorship packages. Exhibits are allocated on a first come basis, and we want you to have the booth of your choice. This would be an opportunity for your company to advertise your products to a large gathering of local physicians. Some of the benefits of sponsoring the booth during this year's annual celebrations include:

- ❖ An opportunity to educate, support, and interact with medical doctors from across the state. Ability to choose specialties of physicians whom you need to visit your exhibit.
- ❖ Access to physicians from institutions where companies usually don't have access (e.g., University Hospital, VA).
- ❖ Physicians have custom individual exhibit card which guarantees their visitation of allocated exhibits.
- ❖ The display area is separate from the meeting venue, and we anticipate participation from several pharmaceutical companies.

Please let us know your decision at the earliest. Sponsorship payments can be made via PayPal ([aapiarkansas@gmail.com](mailto:aapiarkansas@gmail.com)). Alternatively, checks payable to AAPI Arkansas can be mailed to our address: AAPI Arkansas, P.O Box 22008, Little Rock, Arkansas 72221.
